Analysis

Current Situation

XXXX

You are currently under Saturn – Saturn period and this period has started from Mar-2019 and will end on Feb-2022. Jupiter owns your 5th house (children) and sitting in 3rd house (effort), the condition of Jupiter is debilitated. Saturn is in your first house and from its position, it is giving its malefic effect on Jupiter. In this period, you will not receive the happiness of child birth

YYYY

You are currently under Saturn – Jupiter starting from June-2017. Saturn occupies 11th house and from Saturn is in exalted position. This position is good for growth in business and career but not favorable for child birth as Saturn is throwing its malefic effect on 5th house (children). Your Saturn – Jupiter period will end Jan – 2020.

Past Events

XXXX

Saturn has a malefic aspect on your 10th house (career) and Saturn – Saturn period started on Mar'2019, so it quite clear that Saturn impacted your job and you have to resigned. This also confirms accuracy of birth information

YYYY

In Sep, 2015, you were in Saturn and Rahu period, Saturn is exalted and is in the sign of Venus. Rahu is also in the sign of Venus and Rahu has influence on your 10th house. This is an excellent combination for growth and gain. Your gain can be explained by this position. Your birth credentials appears correct.

Findings

XXXX

- 1) Mars is very strong in your chart and it is well placed. From there, it is looking at 3rd house (effort), 6th house (enemy and disease), 7th house (marriage and partnership).
- 2) You are also a Manglik by nature which make you a bit of dominating, aggressive in your relationship and partnership
- 3) Due to your nature, people are finding difficult to make constructive relationship.

YYYY

- 1) Your planets are very well placed and you will have excellent gain in business and job.
- 2) You are a bit introvert by nature but very knowledgeable.
- 3) You tend to avoid conflicting situations.

Answers

Q1.

What is the future of our marriage, we have lot of conflict and fights related to mother in law and his parents?

Looking at Dasha and planetary position of both charts, it appears that you both are experiencing neutrality in your marriage life. The reason behind is that XXXX being dominating on YYYY and its relative and so his family is bit scared off. YYYY is introvert by nature and avoid conflict and suppress his feelings most of the time.

I will request XXXX to understand this and make sure you give enough space to YYYY for expression. Otherwise, emotions and feeling of YYYY one day will erupt like a volcano and your relationship will be in big trouble.

Q2.

When will we have children, I am trying from last five years?

Study of both charts says that the favorable time for child birth is after 2021 after 2023-2024 is very excellent period for experiencing happiness from child birth

Recommendations

XXXX is very dominating over YYYY, request XXXX to have this checked by yourself. Otherwise, this can go in a very bad direction and may lead to undesired outcome (divorce or separation). Allow YYYY to express himself properly and give space for listening

In case of conflicts, I will XXXX to give space to YYYY and his family to present their perspective.

Positives & Negatives

1. You both as a couple have excellent financial stability and gains in future.
2. Both of you need a closer understanding of each other and resolve conflict peacefully by giving each other space.

Gemstone Remedy

1. I advise XXXX to wear **Moti** in her little finger. This will strengthen the Moon and keep a check over aggressiveness cause by Mars in relationship.
